## BACKGROUND CHECKS FOR GHSA CONTEST OFFICIALS

Effective August 1, 2015 all GHSA contest officials shall have a current year background check completed.

1. It shall be the responsibility of each GHSA sanctioned contest officials association to insure that background checks are completed for the current academic school calendar, and keep official records for each registered association member. The association shall provide individual records when requested by the GHSA Office.
2. Local associations have the option of selecting a certified background service company of their choice, but the service must provide the information listed in the example of criminal offenses that would “red flag” the individual. The GHSA will provide a list of companies that provide the required service.
3. Officials who have not completed a current year background check shall not be allowed to officiate any GHSA sanctioned event.
4. Associations that violate any provision of this requirement shall be subject to a \$250.00 fine per violation, and the possibility of losing their GHSA association sanction.
5. The GHSA “Background Check Screening Policy” is listed on the subsequent pages in this document.

## **GHSA BACKGROUND CHECK SCREENING POLICY**

Pursuant to Section 4.51 of the GHSA Bylaws, All Officials Associations approved by the GHSA shall require its members to undergo an annual background check. The GHSA office will provide a list of vendors who are approved to perform the annual background check. If the background check reveals that an official has been convicted of a crime involving moral turpitude, then that official shall not be authorized to officiate GHSA contests unless a waiver has been granted by the officials association and thereafter accepted by the GHSA. All GHSA approved officials associations shall be required to maintain a copy of background check reports on all its officials for a period of at least five (5) years and shall make such reports available to the GHSA upon request. All states do not have the same laws and crimes are often categorized differently. The list of offenses set forth below is not intended to be an exhaustive list of disqualifying offenses, but rather examples of crimes involving moral turpitude:

*murder/homicide/manslaughter, theft/burglary/robbery/larceny, breaking and entering, prostitution/solicitation, rape/sexual assault, assault, battery, arson, false imprisonment kidnapping, domestic violence, cruelty to children, child molestation, furnishing alcohol to a minor, indecent exposure, child endangerment, any crime related to drugs (use/distribution), driving under influence of drugs or alcohol (3<sup>rd</sup> offense in 7 years), identity theft, forgery, money laundering, conspiracy to commit a felony, any offense designated as a felony*

GHSA approved officials associations should establish a procedure for the evaluation and consideration of its member officials' requests for waivers of this policy and appeals from disqualification. In the event that such a request for waiver is granted by any officials association, then that member official's name may be submitted to the GHSA along with a statement in writing of the specific grounds of why the waiver was granted to such member. The GHSA may accept or reject the granting of such waiver. In the event of rejection of the waiver, such official shall not be eligible to officiate GHSA contests. Sample background check release and authorization forms are available through the GHSA office.
